Home Runs (Over the fence)

- Open Division “C”: A one-for-one rules is in effect. After the first home run is hit, the opposing team may hit a home run. After both teams have hit a home run, each team may hit another. This cycle may reset and continue as many times as necessary throughout the game, as long as each team hits a home run. If another home run is hit by the team that began the cycle before the other team hits a home run, there will be a recorded out and runner(s) will return to previous base(s). This will continue throughout the game.
- Open Division “D”: no home runs, a recorded out.
- SPECIAL rule for all divisions below Division “D1”: If a fair batted ball hits the fence on the fly, it is a recorded out. Baserunners may not advance.
- *NOTE: When an eligible home run is hit, the batter and all runners must touch at least one base and immediately return to the dugout to speed up play.

Courtesy Runners

One courtesy runner per inning is allowed and shall be the last recorded out. In the event there are no outs in the first inning when this occurs, the last batter in the lineup will be the courtesy runner. This courtesy runner must be in place before the next pitch. If one comes off the bench to pinch run (as opposed to a courtesy runner), one is considered a substitute and subject to the rules regarding substitution.

Bats

Only ASA approved bats will be allowed for use. All bats are subject to inspection prior to each game, at the discretion of the umpire or tournament committee. Umpires will be using the current ASA non-approved bat list for bat review.

Illegal Bats

Any illegal bat discovered during play will be confiscated and returned at the end of the tournament and recorded on the line up sheet. Any play that occurred while using an illegal bat will result in an out and all runners return to their previous base. Challenges must be made prior to the next pitch. Any bat accused of being altered shall immediately be brought to the attention of the Tournament Director/Site Director who shall confer with the UIC for further action if any is to be taken.

Protests

Any protests must be brought to the attention of the umpire prior to the last pitch of the game. A \$200 (cash) protest fee shall be presented along with a protest form available from the field reps prior to the last pitch. The Tournament director, Field representative and site UIC will make up the protest committee. Any concerns during games should be brought to the attention of the Tournament director, Field representative, or site UIC. Together, the 3 will make a final ruling.

Player and Manager Ejections

ASA accordance: A player or manager may be removed from the game by the umpire, usually for an unsportsmanlike act or conduct. A flagrant act will require the player or manager to leave the grounds for the remainder of the game. A team may NOT continue to play shorthanded. If no substitutes are available the game is a forfeit. If the umpire and/or designated tournament official(s) deems the unsportsmanlike act or conduct as malicious, an individual OR full-team suspension COULD result for the remainder of the tournament.
